

STATE OF MAINE
PUBLIC UTILITIES COMMISSION

Docket No. 2002-531

May 22, 2003

Logix Communications Corporation
Request to Abandon Service

ORDER GRANTING
REQUEST TO ABANDON
SERVICE

WELCH, Chairman; NUGENT and DIAMOND, Commissioners

On September 4, 2003, Logix Communications Corporation filed a request to abandon service pursuant to 35-A M.R.S.A. § 1104(1).

The Commission granted Logix authority to provide interexchange service in Docket No. 2000-366.

Because there are a large number of competitive interexchange telephone utilities available to service its former customers, we grant the request to abandon service. Logix stated that it has entered an agreement with ASC Telecom, Inc. d/b/a Alternatel¹ for it to provide service to Logix's three customers in Maine. The Commission granted ACS Telecom authority to provide interexchange service in Docket No. 2001-569.

Logix provided written notice to its customers that their service would be discontinued in 30 days and that they should obtain service from another carrier. The form notice provided to the Commission did not mention ACS Telecom or Alternatel.

Dated at Augusta, Maine this 22nd day of May, 2003.

¹ Logix stated only that that this arrangement was with "Alternatel." Its use of only the d/b/a, and not the name contained in the Commission's records, was the reason for the delay in processing this case.
